

SCK Newsletter April 2014

Hi

SCK News

We are excited to announce that Catering Equipment bundles are now available on the SCK website. On some of the bundles we are even able to offer extended warranty, to give you even more piece of mind.

SCK has used our buying power with the major equipment suppliers to bundle groups of equipment together to SAVE you even more money on your equipment needs?

Currently we have refrigeration, cooking equipment, dishwashers, combi ovens, pizza equipment and a selection of benchtop equipment. If you are starting a new business in the hospitality industry and you need a minimum of 3 pieces of equipment for your business then give us a call. We can help! See our current [bundles](#)

Note: your bundle has to be from a single supplier.
