

6 Burner Gas Range - Large Oven

Elco 700HP a range of over 100 models for the professional caterer designed to guarantee the highest level of performance, reliability, energy saving, safety standards and ergonomic operation. These concepts are reflected in the total modularity of the range that ensures numerous configurations, either free-standing or bridged. Elco 700HP demonstrates how advanced technology can satisfy the needs of the professional caterer. The model detailed on this sheet is a 6 Burner Freestanding Gas Range on Large Oven.

178606

EASY TO INSTALL

- Main connections can be accessed via the base of the unit.
- The oven chamber is full sized and the interior has an enamel surface with accommodates 3 tray positions.

EASY TO CLEAN

- One piece pressed worktop in 1,5mm 304 AISI stainless steel with smooth, rounded corners.
- Front panel in 304 AISI stainless steel with Scotch Brite finish.
- All models have right-angled, laser cut side edges to allow flush-fitting joins between units eliminating gaps and possible dirt traps.

- Recessed, double skinned door with pressed internal panel for air-tight closure and better hygiene.
- Deep oven with ribbed base plate to allow for the direct placement of pans.
- Feet in 304 AISI stainless steel adjustable in height 50mm.
- Pan supports are cast iron.
- Inside door panel in stainless steel.
- Handles on the oven in 304 AISI stainless steel.

EASY TO USE

- High efficiency flower flame allows for the flame to be adapted in order to permit pots of different sizes to be used.

Burners:

- Flame failure.
- 5,5 kW with flame regulator.
- Pilot light for each burner.
- Optional smooth or ribbed accessory plates may be placed directly on the burners, allowing for food such as steaks, hamburgers, fish and vegetables to be cooked to perfection.
- All gas appliances are supplied for use with natural gas, LPG or town gas. Conversion jets supplied as standard.
- Gas oven with stainless steel burners, self-stabilizing flame positioned beneath the base plate and a thermostat adjustable from 110° to 270°C.
